

Dear Shooters,

We would like to invite you to this year's club shoot(s). In the past we have done predominately trap shoots for our members. This year I decided to host another club shoot for sporting clays. This gives some of you the option to pick the discipline you want, or shoot both events.

Membership is still \$20.00. If you want to shoot both club shoots, your cost will be \$25.00. The additional \$5.00 will cover the additional target cost only for the sporting clays championship.

The Sporting Clays Championship will have a \$50.00 cash prize to the High Overall Shooter, in the event of a tie, we will have a shootoff.

In this envelope you will notice the flyer for the Club Trap Shoot, Sporting Clays Championship, and also a charity fun shoot held at our club to benefit the local American Legion Post.

I realize that some of you might accidentally get two of these envelopes, as we have 2 mailing lists we have used in the past. I apologize, I just wanted to be sure I gave everyone a chance to receive this information, I have tried to remove as many duplicates as possible, but some will get through.

I also wanted to mention that we are slowing down on our mail pieces to our members and good customers. To keep up with current events at the club, you might want to look at our websites:

[www.ShawneeTrap.com](http://www.ShawneeTrap.com)

[www.ShawneeClays.com](http://www.ShawneeClays.com)

We also are compiling a new email list to use in place of this mailing list, as due to cost and time considerations, we will probably be going to email/website to convey messages and what is going on at the club. If you just don't use computers, let us know, and we can make other arrangements.

Also enclosed is our membership form. If for some reason you just can't make it to the club, please feel free to send the form with a check for your membership dues. These dues are important to the club as I earmark the club dues to pay our insurance bills. Our club membership has fallen over the past couple of years, so every member really matters. Your support is vital to the survival of the club for future generations.

I hope to see you at one of our upcoming events!

Greg Merlyn
