

March 2011 News Letter

***** OTA Membership Application Form *****

We now have the OTA Membership form on the website. Click the "Join the OTA" link for more details.

***** Tuesday Night Operating Hours *****

The club will be resuming Tuesday night operating hours on March 15, 2011. We will be open from 5 pm to dusk.

***** Tuesday Night Fun Shoot *****

Ron Bliss will be starting the Tuesday Fun Shoots on March 15, 2011. The shoots are scheduled to start at 6 pm. They will be open to anyone and will consist of 50 trap targets, 25 from the 16 yd line and 25 handicap from ATA yardage. If anyone is not an ATA shooter, they will shoot from the 20 yd line until we can establish them a yardage. The cost will be \$15. Ten will go to club for targets, \$3 in a pot which will be paid back nightly to three classes of which Ron will classify each shooter. \$1 will go in a long run pot which will be paid to the shooter with the most targets broken before a miss. The final dollar will go into a "perfect 50" pot. If no shooter breaks 50, the pot will carry over to the next week and so on. If you have questions, phone **Ron** at **392-3664**.

***** Shawnee Trap Club Meeting Minutes *****

[Click here to view the 7-Nov-10 meeting minutes.](#)

***** Endowment Fund *****

The Endowment Fund is off and running fast. Money has started to roll in and the construction has started on the west wall. All of the flyers explaining the fund are in the mail now. We will be mailing more of these to the clubs next week so that anyone who is not an OTA member or who is not on our mailing list can have access to one. We are certainly looking forward to our air conditioning for the summer schedule.

***** Harlan Campbell Clinic *****

There are still a couple of openings for the Harlan Campbell Clinic (limited to 6 students) at the Oil Capital Gun Club on March 5 & 6, 2011. The cost is \$325 plus shells and rounds. Contact Jim Moody @ 918.298.8651.
