

OTA Nov. 2011 News Letter

The OTA Shooting Park will start observing **winter hours** on Saturday November 5. Our new Hours of Operation (**Weather Permitting**) will be 10 am to 5 pm on **Saturdays** and Noon to 5 PM on **Sundays**. We will be **closed for public shooting on Tuesday evenings starting Nov 8.**

Ron Bliss has proposed a new **Tuesday Night Fun shoot** for the **OTA Shooting Park**. We will open the Park on Tuesdays for the **fun shoot participants only**, that way if only a few people show up we can pull the plug and save on labor costs. **Beginning Nov 8th.**, we will have our fun shoot starting at **6:30**. We hope to be able to shoot some practice before the program. If after the program we have enough interest, we could shoot some buddy shoots and some knockouts. **Buddy shoots** will consist of ten peoples names in a drawing. Shooters will be paired and will shoot from the **27 yd line**. Each shooter will shoot and his partner can back him up if necessary. Cost will be \$2 per shooter. The winning team will split \$10 and \$10 will go to the club. **If we shoot knockouts**, cost will be \$2 per shooter. Winner will get half of pot and club will get the other half. If the weather is bad, people will have to use common sense and know that we aren't going to shoot. The continuation of this shoot will be based on shooter participation. Please direct your questions to Ron Bliss @ countryequipment2@gmail.com.

The **Winter Derbies** will be starting in November at the OTA Shooting Park and at Shawnee Twin Lakes Trap Club. **Shawnee** will shoot on the **1st and 3rd Sundays** of the month and **OTA** will shoot on the **2nd and 4th Sundays** of the month from **November 2011** through **February 2012**.
