## **Oklahoma Shooters,**

The 2011 shooting season is over. We can look back with pride over the many accomplishments Oklahomans have had. Some of which include:

- *Oklahoma's largest number of trophies won at the Grand*
- *Successful 4-H Shoot*
- *Successful State Shoot*
- *Capital improvements to the OTA Shooting Park*

## **Congratulations to everyone for a good year!**

The non-registered derbies have started for Shawnee and OTA - First and third Sundays for Shawnee and second and fourth Sundays for OTA. Starting time for OTA is 1:00 pm and starting time for Shawnee is 10 am. These derbies would be a good way to introduce a friend to trapshooting.

If you haven't already, this is a good time to renew your 2012 OTA membership. If you have an e-mail address please include it on the renewal form. This allows the OTA to send shoot programs electronically which saves on postage for programs mailed. There is also a membership form on the website. Visit the website at [www.otatrapandskeet.org](http://www.otatrapandskeet.org) for information on hours and prices, OTA news and events, past shoots and results. Also, shoot programs for upcoming events will be posted. If you do not have internet access, let us know so we can mail shoot programs to your address.

As a reminder, the OTA is still accepting donations for the Capital Improvement Fund. Many improvements have been made, with more in the works. Contact a board member for help with your donation.

The 2012 season is off to a good start with several well attended shoots this fall. Please support your local clubs. With your help we can look forward to another banner year!
