

## **September 2011 News Letter**

The OTA Shooting Park will now accept credit/debit cards for all purchases except for options (Lewis, Class, etc.) The cards we will accept are Visa, MasterCard, and Discover. Thanks to **Tim McCann** for his efforts.

Our ATA Delegate **Larry Parsons** has written a [Report from the Grand](#). Larry also submitted a few pictures from the Grand - they have been published on our "[Photos & Links](#)" page. If anyone else has some pics from the Grand that they would like to share, e-mail them to this address and I will get them published.

On a sad note **Clarence Roberson** passed away on the 30th July. He was 85 yrs old. He grew up in Byron OK and graduated from Cherokee high school. He was a navy veteran. In 1947 he married his wife Beverly. He had several occupations, embalmer and funeral director until 1958 then as insurance agent. He was also a professional photographer and writer for Trap and Field magazine. He founded the first trap and skeet club in Enid, and was an all american trapshooter. He was known through out the southwest as the "trapshooters Photographer". Trap and Field used his photos for many covers throughout the years. He had a very positive effect on trapshooting in Okla and will be missed by the OTA shooting community.

Larry Parsons Okla ATA Delegate.

**Shannon McCann** had a baby boy on July 29th. He was 8 lbs 2 ozs, 20 inches long. His name is Coleton Bradley McCann. Congratulations to Shannon and Brad!
